No guarantee can be given that the water service will be installed within three weeks of payment of the appropriate fee as other authorities (eg. Telstra) will need to locate their services to prevent possible damage when the water service is being installed.

A sketch plan "MUST" be provided on the back of this form and show the preferred position of the meter point in relation to a side boundary fence on the property. Distances from boundary lines must be shown.

Water meter installation is not included in the fees above. For installation of a water meter please submit Councils "Application for water meter" form.

CONDITIONS OF SUPPLY

Supply will be connected subject to Council's conditions contained in the current years Management Plan and as otherwise advised to the owner.

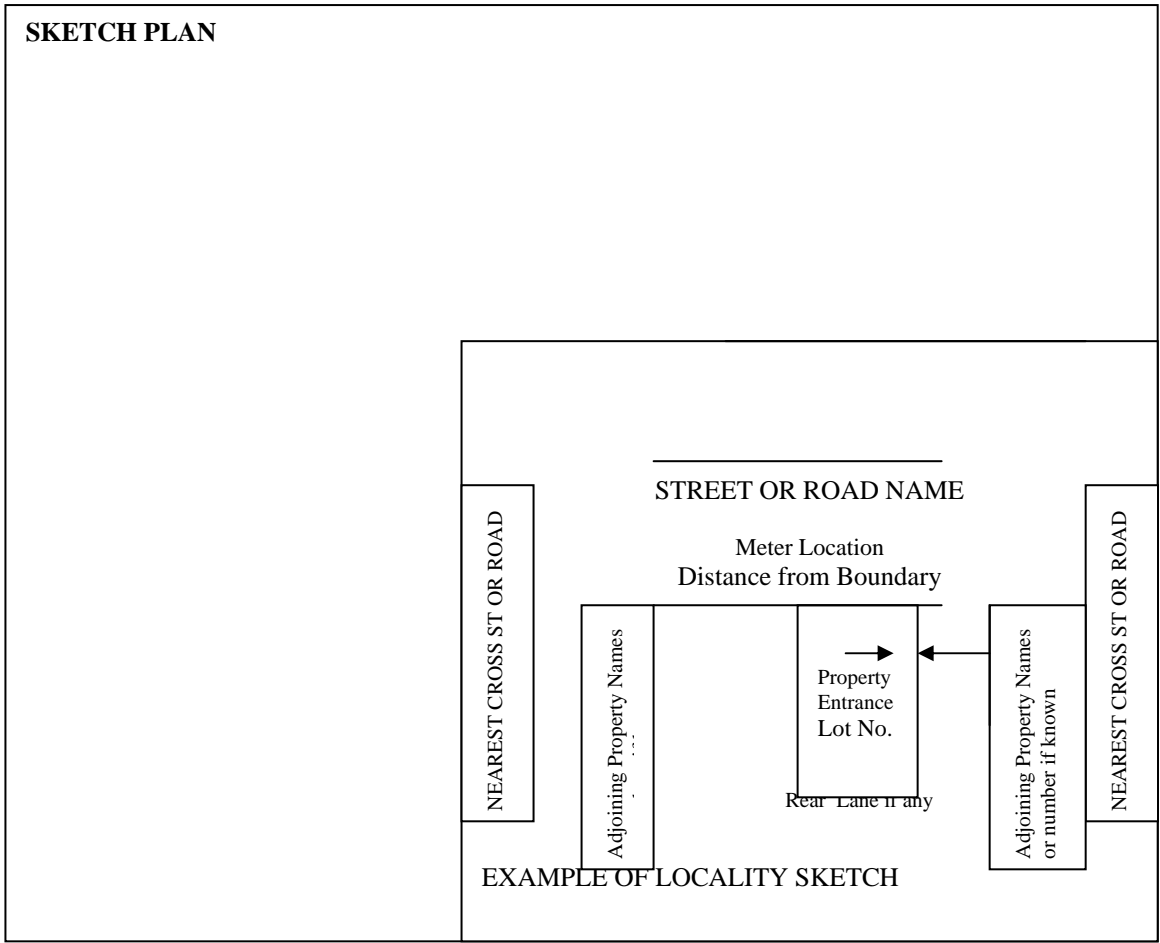

All work must be undertaken in accordance with the NSW Code of Practice – Plumbing and Drainage standards AS/NZS 3500 and relevant sections of the NSW Local Government Act & Regulations.

The NSW Code of Practice – Plumbing and Drainage standards AS/NZS 3500 and Goulburn Mulwaree Council's Backflow and Cross Connection Policy must give particular attention to Backflow Prevention as required.
